

Our keynote speaker graduated from the University of Notre Dame and became a CPA with PwC before working several years in industry. Since then, he's written two Emmy-nominated awards shows, has a comedy album on Sirius XM, and has been on stage over 2,000 times, opening for the likes of comedian Louie Anderson and the band Train. His book, *What's Your "And"?: Unlock the Person Within the Professional*, has won several awards and was recently named a Distinguished Favorite by the Independent Press Awards. Now we have him with us here today. Please put your hands together and give a warm welcome to John Garrett.
