

John is known for being very easy to work with and wants to make sure the entire event is a success. Therefore, he tries to make your stressful job as easy as possible.

In order to help John be most effective for your audience, he finds the following list of requests tends to help.

### **John's Onstage Requirements**

- Two bottles of room temperature water
- Preferably no barriers on stage (no lecterns or podiums)
- Preferably rear mounted projectors
- Microphone should be a lavalier microphone or clip on mic
- Audio connected from the presentation computer (John's presentations sometimes include music video parodies or other audio files)
- Confidence monitor set to presenter mode

NOTE: Because his presentation involves a fair amount of customization, John will bring a USB memory stick containing his PowerPoint presentation. He will preview the slides during his sound check. John can provide his slides in advance if required.
